Explanation 1

| Category | Senate | House | Weight | Explanation |
| :---: | :---: | :---: | :---: | :---: |
| Constitutional government | 2016 | 7052 | -1 | to empower an appointed state Budget Commission overseeing a financially struggling municipality to certify that the state must pay an advance on education aid payments |
| Tax and budget | 2049 |  | 1 | to allow tour and scenic and sightseeing transportation services providers to sell packages free from sales and use taxes. This tax was recently imposed, and this legislation repeals it. |
| Constitutional government | 2061 |  | -1 | to forcibly expand the government's DNA database of residents by requiring the collection of samples for anybody arrested for a crime of violence and adding crimes for which DNA samples are required. Previously, DNA samples were only collected from people who were convicted of violent crimes. |
| Regulatory environment | 2072 |  | -1 | to force all financial institutions and credit unions to install security video cameras on their own premises at night deposit repository areas |
| Regulatory environment | 2129 | 7687 | -1 | to mandate that people enrolled in health insurance to designate a participating primary care provider |
| Constitutional government | 2157 |  | 1 | to increase legislative authority and influence over executive-branch activities by requiring the governor to seek "the advice and consent of the senate" for appointees to certain quasi-public corporations |
| Public sector labor | 2185 | 7080 | 1 | to add two members of the Association of Independent Colleges and Universities of Rhode Island, whose members include privately owned colleges and universities in the state, to the policy advisory board on public school teacher and administrator certification |
| Constitutional government | 2190 |  | 2 | to further implement separation of powers by removing members of the General Assembly from the Coastal Resource Management Council. Membership rules would also be simplified and changed with the intent of broadening the perspectives and experience on the council. |
| Constitutional government | 2211 | 7044 | 1 | to ratify an amendment to the home rule charter of the Town of Tiverton replacing the financial town meeting with a private-ballot financial town referendum for choosing annual budgets |
| Public sector labor | 2275 |  | -1 | to force teachers of advanced placement (AP) courses to undergo official training. This bill also increases the pressure to conduct standardized testing in 10th grade to identify students "who need additional work." The state will seek various sources of funding and give preference to low-income cities and towns in its distribution. |
| Regulatory environment | 2285 | 7228 | -1 | to force psychologists, midwives, and nurse-midwives to register with the state as "professional service" providers and purchase liability insurance |
| Regulatory environment | 2289 | 7767 | -1 | to force builders to aquire physical alteration permits before they can aquire building permits for projects on or affecting drainage around state highways or right-of-ways |
| Constitutional government | 2339 | 7389 | 1 | to preserve freedom of speech, including the right to transmit false information using a computer |
| Tax and budget | 2404 |  | -1 | to spend $\$ 500,000$ on teacher certification, school grants, training for educators and youth workers, curricula for schools and afterschool programs, and URI Inner Space Center science mentoring for students in Central Falls, Newport, Pawtucket, Providence, Smithfield, Westerly, West Warwick, and Woonsocket through the non-profit Jason Project |
| Tax and budget | 2465 | 7721 | -2 | to increase the surcharge on motor vehicle rental contracts from $6 \%$ to $8 \%$ and increase the amount that the rental company may hold for licensing, title, register, and transfer fees and excise taxes before transferring the extra to the state |
| Constitutional government | 2488 | 7111 | -1 | to add "gender identity or expression" to the definition of "hate crime" |
| Public sector labor | 2534 | 8049 | -1 | to spend state revenue on full-day kindergarten for up to four school districts, with the commissioner of elementary/secondary education determining which. After an initial period, the city or town would be responsible for payments. |
| Regulatory environment | 2636 |  | -2 | to increase the fines for landlords owning property that has lead paint from \$100-500 per vioaltion to up to \$5,000 per day |
| Constitutional government | 2644 | 7970 | 1 | to preserve freedom of speech, allowing the use of people's names, portraits, or pictures in political materials or other public publications |
| Constitutional government | 2656 | 7899 | -2 | to ask the U.S. Congress to send the states a constitutional amendment effectively overturning Citizens United v. the Federal Election Commission and permitting regulation and restriction of independent political expenditures and speech |
| Constitutional government | 2670 | 7361 | -2 | to give employees of the Division of Public Utilities and Carriers all powers of police officers, including the power to arrest, without warrant, violators of its motor carrier regulations and to authorize state and municipal police departments to assist the division |
| Tax and budget | 2693 |  | -1 | to extensively expand the capabilities of the state Department of Labor and Training's job search Web site, provided funding is available |
| Regulatory environment | 2706 |  | -2 | to force any person or business that rents to others fewer than five vehicles per year to be licensed by the state. Currently, only business that rent more than five vehicles must be licensed. |
| Tax and budget | 2754 | 7726SubA | 1 | to allow residents of mobile and manufactured home parks to join together to purchase the mobile home park in which they live without paying a real estate conveyance tax |
| Tax and budget | 2757 |  | 2 | to allow municipalities to remove defunct debt service from the books of any regional school district so that it is not included in maintenance of effort calculations that prevent school budgets from ever going down (unless enrollment drops) |
| Tax and budget | 2764 |  | -2 | to allow welfare recipients in the RI Works program to collect their lifetime limits of 4 years all at once. Currently, they cannot receive welfare for more than 2 years out of every 5 . The legislation would also eliminate the requirement for applicants to sign "individual employment plans" before being eligible for cash payments. |

Explanation 2

| Tax and budget | 2816 | 7882 | -1 | to allow the Secretary of State and Governor to open and operate a visitor center and gift shop within the State House with public money |
| :---: | :---: | :---: | :---: | :---: |
| Public sector labor | 2876 | 8150 | 2 | to place all new employees of the Cranston school department into defined-contribution retirement plans instead of in defined-benefit municipal retirement systems. Defined-contribution plans transfer the investment risk from taxpayers to the employees/beneficiaries. |
| Constitutional government | 2882 | 7851 | 1 | to further implement separation of powers by removing members of the General Assembly from the criminal justice policy board |
| Public sector labor | 2970 | 8178 | 2 | to place all new employees of the town of Middletown into defined-contribution retirement plans instead of in defined-benefit municipal retirement systems. Defined-contribution plans transfer the investment risk from taxpayers to the employees/beneficiaries. |
| Constitutional government | 2983 | 7249 | 2 | to remove crossbows from the definition of "firearms" in laws regulating weapons |
| Regulatory environment | 2988 |  | 1 | to allow additional professionals, including those certified out of state, to become elevator inspectors. The legislation also forbids inspectors from making repairs to elevators that they have inspected. |
| Constitutional government | 3039 | 7564SubA | -1 | to require the Director of Labor and Training to provide suspected employee-misclassification information to other state departments regardless of whether or not it is deemed confidential |
| Constitutional government | 3074 | 7110 | 2 | to require police to obtain search warrants before they may search for information on portable electronic devices, with previously established exceptions |
| Constitutional government | 2052SubB | 7173SubA | -2 | to create a "Homeless Bill of Rights," requiring government agencies and employers to ignore housing status and establishing a right to privacy for personal property as if it were in a permanent residence |
| Regulatory environment | 2083SubA | 7233SubA | -1 | to impose a new surtax on retail paint products to create a trade organization that will regulate the disposal of unused paint products. Paint producers in the organization will be immune to antitrust law while acting on its behalf. |
| Regulatory environment | 2127SubAaa | 7595SubAaa | -1 | to force food-service establishments to present informational posters in staff areas and to print information on menus, as well as to designate a manager to read and view state-created documents and videos about food allergies as part of a new government food allergy awareness program |
| Regulatory environment | 2167SubAaa | 7066SubAaa | 1 | to allow businesses with Class A liquor licenses to remain open on Sundays until 9:00 p.m. if the following Monday is a holiday |
| Constitutional government | 2178SubAaa | 7209SubAaa | -2 | to change the boundaries of voting districts for the General Assembly according to a plan approved by incumbents |
| Regulatory environment | 2186SubA | 7261SubB | -1 | to create a government "petroleum savings and independence advisory commission" to advocate for reduced petroleum use |
| Constitutional government | 2204SubA |  | -1 | to pressure law enforcement officers to lecture people smoking with children in the car when they pull them over |
| Tax and budget | 2241SubA | 7640SubA | 1 | to allow bus companies to engage in in-state commerce $20 \%$ of the time without triggering the excise tax on motor vehicles and trailers. Previously, buses had to be used exclusively in interstate commerce to be exempt. |
| Public sector labor | 2245SubB | 7805SubA | -1 | to allow members of the state police to purchase credits toward their retirement benefits that undo any reductions due to any leaves up absense during their careers, up to five non-working years |
| Public sector labor | 2276SubAaa | 7126SubAaa | -1 | to limit virtual courses in public schools to those conforming with state regulations, including (but not limited to) content and teacher certification |
| Tax and budget | 2283aa | 7157SubA | 1 | to exempt animal feed used for animals in the production of food for human consumption from the sales and use tax |
| Regulatory environment | 2322SubA | 7825SubA | -1 | to forbid children under 18 years of age from using tanning facilities, except for medical reasons and with expressed parental consent every two visits |
| Constitutional government | 2336SubA | 7060aa | -3 | to force grassroots and other politically active groups at the state and town levels to track and report to the state donations of more than $\$ 100$ per person per year for the purposes of promoting local budgets and charter changes |
| Regulatory environment | 2341aa | 7995SubA | -1 | to expand the number of violations for which the contractors' registration and licensing board can prevent a contractor from continuing to do business |
| Regulatory environment | 2374SubA | 7396SubA | -2 | to make it unlawful for any employer to pay less than \$7.75 per hour beginning January 1, 2013, increased from \$7.40 |
| Regulatory environment | 2378SubA |  | -2 | to force struggling companies to give sixty days' notice to employees and to the state prior to any layoff of 25 of more employees, with financial penalties otherwise if they do not do so |
| Regulatory environment | 2422SubA | 7509SubA | -2 | to greatly increase the potential penalties for violations related to payment of wages and to ease the burden of proof for employees to gain whistleblower status |
| Regulatory environment | 2433SubA | 7523SubA | 1 | to permit businesses to donate gift cards/certificates that have expiration dates to non-profit corporations or associations for fundraising purposes |
| Regulatory environment | 2477SubA | 7784SubA | -1 | to create a workgroup representing established healthcare providers and insurers that would develop restrictions and limitations on innovation among all providers and insurers in the state |
| Regulatory environment | 2538SubAaa | 7478aa | -1 | to impose licensing requirements and other regulations on retailers that choose to offer portable electronics insurance |
| Regulatory environment | 2559SubB | 7152SubA | -1 | to force behavior analysts to register for and renew licenses every two years, with a $\$ 150$ fee each time. The legislation also creates another board within the Department of Professional Regulation. |
| Regulatory environment | 2560SubAaa | 7165SubA | -1 | to mandate health insurance coverage of psychology, psychiatry, and pharmaceutical services related to autism and require licensing of applied behavioral analysts |

Explanation 3

| Constitutional government | 2569SubA |  | -2 | to expand campaign finance disclosure laws, particularly with reference to "electioneering communications," increasing the paperwork and regulations involved when participating in the political process |
| :---: | :---: | :---: | :---: | :---: |
| Tax and budget | 2570SubA |  | -1 | to impose an additional levy on building permits for the purchase and operation of an online software system that the state and cities/towns will use for a centralized electronic plan review |
| Regulatory environment | 2580SubA |  | -1 | to force parents of drivers education students to take a course. Currently, the course is optional. |
| Regulatory environment | 2585SubA |  | -1 | to increases the penalties for failure to pay minimum wages, including loss of license, and expand the courts in which complaints may be filed |
| Regulatory environment | 2603SubAaa | 7406SubA | -2 | to forbid businesses that offer public motor vehicle services from charging less than a minimum price set by the Division of Public Utilities and Carriers unless paid for or hired by the state |
| Regulatory environment | 2606SubA | 7409SubA | -1 | to forbid individuals and retailers from increasing prices in response to demand when the governor or federal government declare a market emergency, an economic emergency, or a state of emergency |
| Tax and budget | 2641SubAaa | 7868SubA | 1 | to prevent municipalities from taxing new, unoccupied construction development properties at their full value until a sale is made and a certificate of occupancy allows occupants to move in |
| Constitutional government | 2652SubAaa | 7555SubAaa | 2 | to improve the availability of public records and require government compliance with requests within 7 business days, or up to an additional 20 business days if it can be shown that the request is "voluminous" |
| Constitutional government | 2685SubAaa | 7837SubAaa | -1 | to make it unlawful for any person to purchase, own, or possess body armor if he or she has been convicted of a felony classified as a crime of violence |
| Tax and budget | 2695SubA | 7543SubA | -2 | to allow the state to operate casino games at Newport Grand if voters state and local voters approve of increased gambling activities during the next general election |
| Regulatory environment | 2763SubA |  | -2 | to create a state-controlled electronic prescription database storing all information related to electronically distributed medical prescriptions. The legislation also expands the types of prescriptions that may be transmitted electronically. |
| Regulatory environment | 2792SubA | 8233 | -1 | to pressure electrical distribution companies to "support the installation and investment in... combined heat and power installations at commercial, institutional, municipal, and industrial facilities" |
| Constitutional government | 2838SubA | 7849SubB | -1 | to allow and sometimes require judges and magistrates to force people convicted of driving under the influence of drugs or alcohol to install ignition interlock systems on their cars. Such devices detect alcohol on a driver's breath and prevent him or her from starting the car. The legislation also extends the maximum time that drivers can be forced to have the devices up to five years. |
| Tax and budget | 2870SubA |  | -3 | to create a quasi-public state agency, the East Bay Energy Consortium, that would allow several communities in the East Bay region to enter into the windfarm business |
| Tax and budget | 2872SubA |  | -1 | to allow Woonsocket to compensate for poor past financial management by imposing up to $\$ 6,600,000$ in new property taxes on residents of the city |
| Public sector labor | 2875SubA |  | 2 | to reduce disability pensions for municipal employees who are able to work in other careers than they previously held from $662 / 3 \%$ of their prior compensation to $50 \%$. The legislation would not apply to police or fire fighters. |
| Regulatory environment | 2887SubAaa | 7909SubA | -2 | to impose at the state level several of the mandates listed in the Patient Protection and Affordable Care Act of 2010, unless "the health insurance commissioner determines" that the corresponding sections of that act have been declared invalid by the federal judiciary or repealed by Congress |
| Tax and budget | 3001SubA | 8213SubAaa | -2 | to redistribute revenue from gambling activities at Twin River and Newport Grand, if voters approve table games, in such a way as to ensure minimal losses to the casinos as a means preventing them from going out of business and thereby eliminating a significant source of state revenue |
| Regulatory environment | 3040aa | 7615SubA | -1 | to force contractors and subcontractors hired for public projects treat their employee files as if they were public records |
| Constitutional government |  | 7084 | 2 | to require quasi-public agencies to follow public records laws applying to state agencies or public bodies |
| Regulatory environment |  | 7231 | 1 | to permit hospitals and treatment centers located in Providence to calibrate scales within their own facilities |
| Tax and budget |  | 7232SubA | -1 | to allow gas and electric companies to transfer losses from the unpaid bills of low-income households to all other gas and electric customers. Currently, the program requires them to treat the losses as bad debt. |
| Regulatory environment |  | 7254 | 1 | to give water suppliers the freedom to determine that they do not need to install radio frequency reading systems on the homes of their customers |
| Tax and budget |  | 7323SubAaa | -3 | to make appropriations for the State of Rhode Island's 2013 fiscal year and to enact other legislation included as articles in the budget |
| Tax and budget |  | 7323SubAaa-A11SubAaa | 1 | to allow the Office of Health and Human Services to recover money for insurance liability or workers' compensation payments amounting to $\$ 500$ or more when the recipient has also received over $\$ 500$ in medical assistance benefits |
| Tax and budget |  | 7323SubAaa-A19SubAaa | -1 | to add a new "nutritional education and exercise" benefit for Medicaid recipients. The article also reduces payments for durable medical equipment to $85 \%$ of the Medicare payment rate. It also gives Medicaid agency permission to pursue options under PPACA, provided they do not reduce benefits or push spending beyond that budgeted |
| Tax and budget |  | 7323SubAaa-A20SubAaa | -3 | to explicitly permit tolls on the Sakonnet River Bridge and transfer authority over it and Jamestown Verrazano Bridge to the Turnpike and Bridge Authority |

to increase revenue by $\$ 141.3$ million by imposing a hospital licensing fee, $\$ 10.9$ million through a tax amnesty program, $\$ 9.7$ million by imposing new sales taxes on taxicabs, limousines, and other transportation, such as charter bus services, and pet care services, $\$ 1.8$ million by increasing cigarette taxes, $\$ 2.4$ million by imposing new fees for "little cigars," $\$ 0.2$ million by imposing a new "litter control fee" on all beverage containers, and $\$ 58,650$ by imposing a new $\$ 100$ fee for the reinspection of school buses. The article also establishes the "musical and theatrical production tax credit," up to a $\$ 15$ million cap and requires annual reports from alcoholic beverage wholesalers and retailers
to spend $\$ 2.6$ million to give Central Falls retirees $75 \%$ of their initial pensions for five years, after the municipal receiver reduced them about 45\%
to reorganize various agencies of the state government, including the leadership of the student loan authority, renewable energy programs, and others. The legislation also combines the board of regents and the board of governors for higher education into a board of education, under the assumption that it would improve the bureaucratic operation of education in the state. The temporary office created for distributing stimulus money becomes a permanent office of management and budget, and office of digital excellence is created. Energy resources functions are transfered to the Department of Human Services. The article also changes rules governing utilities and carriers and laws related to renewable energy programs. It also increases fees to fund the building commissioner and fire marshal's efforts toward a statewide electronic plan review, permit management, and inspection system
to increase the amount of debt on the state's books through various bond/debt issues placed before the voters
to borrow additional funds for information technology improvements, the Rhode Island Airport Corporation, the Rhode Island Resource Recovery Corporation, and the GARVEE program
to increase revenue by $\$ 1.8$ milion by expanding health licensing fees
to allow out-of-state employees and companies to operate in Rhode Island during a state of emergency without establishing presence or residency for the purposes of regulation and taxation
to forbid businesses and their employees to agree to arrangements in which tips and service charges are distributed in any way except directly to the specific employee who received them
to impose new regulations on the sale and installation of outdoor wood-fired hydronic heaters, including minimum lot size, setbacks installation, and fuels
to increase the mandate for minimum health care professional and nursing home liability insurance by a factor of 10 . The legislation also transfers authority over compliance from the Department of Business Regulation to the Department of Health.
to expand campaign finance disclosure laws, particularly with reference to "electioneering communications," increasing the paperwork and regulations involved when participating in the political process
to direct school committees to establish audit subcommittees that ensure sound fiscal practices for their districts
to direct school committees to establish audit subcommittees that ensure sound fiscal practices for their distric
